*"It's a team of real professionals, they get involved promptly in the client's problems to find the quickest and most effective means to resolve a conflict"*

**BINBANK**

*"We have worked with Maxim Kulkov, Oleg Kolotilov and Nikolay Pokryshkin for several years on a complex set of Russian commercial cases. We have found their advice to be measured, considered and commercial - clearly articulating the risks and potential rewards of a particular course of action. We have found Maxim and his team to be client-oriented and results-driven in their work for us providing a consistent and reliable service with high-quality results"*

**KPMG**

*"Maxim Kulkov has represented the interests of Brunswick group in various commercial disputes for more than 7 years. His involvement in a case makes us confident of its successful resolution for our company. We have also successfully worked together with Nikolay Pokryshkin who we recommend as a highly qualified and responsible professional"*

**Brunswick Rail**

*"We are grateful to KK&P for cooperation that allows our company to receive all necessary legal services and high quality advice"*

**Mospromstroy**

*"We have worked with Maxim Kulkov and his team for a number of years already, and together we successfully tackled unique and complex situations. Maxim's arsenal includes a tailor-made approach to the client and each of his cases"*

**Interstate Bank**

*"During many years, Maxim Kulkov has proved his ability to resolve the most complicated issues. He has successfully represented me and my architecture bureau in international arbitrations in Moscow and Stockholm three times. The fourth dispute was settled even before its filing with the court"*

**Erick van Egeraat**

*"GATX Rail Vostok LLC has collaborated with KK&P on several important projects. We consider KK&P as a very professional and reliable partner. KK&P's work exceeded all of our expectations and their qualified team has earned our respect and appreciation"*
